

## Bereavement Ministry

The St. Joseph Bereavement Ministry offers receptions to families following funeral masses as one of the many services provided by our committee. These receptions have become an important support service given to our St. Joseph families as they go through a very difficult time.

Volunteers are always needed to keep this service available for our parishioners. Below is a list of activities where helpers are needed. Although the funeral masses are generally during the weekday, some of the things listed below can be done at other times. Please check which area(s) you would be able to help with and a member of the Bereavement committee will call you. Thank you and God bless you.

- Community room set-up the day before (generally during the daytime hours)
- Shop for food (at your convenience)
- Bake cookies/bars (at your convenience)
- Make sandwiches (day of the service, prior to reception)
- Set-up food trays (during the mass)
- Serve at receptions
- Clean-up (immediately following receptions)
